Quality Assurance Inspector – Moore Packaging Corporation

Full-time

Barrie, ON, CANADA

We are Ontario's largest independent non-integrated corrugated packaging plant. We are focused on providing quality corrugated products, point of purchase displays, folding cartons, wood pallets and crates.

What we are looking for:

Education:

- Minimum engineering technologist diploma, ASQ certification OR a demonstrated work history in a technical area which includes Internal Audit, FMEA or HACCP.
- Health & Safety Awareness and WHMIS Training

Experience:

- Demonstrated commitment to the improvement of manufacturing and / or quality systems
- Internal Audit.

Qualification/Competencies:

- Demonstrated ability to coordinate a high level of activity under a variety of conditions and constraints.
- Proven history of providing effective motivation and leadership through example.
- Excellent verbal, written and presentation skills.
- Keen eye for detail, organized, and proven ability to problem solve.
- Demonstrated use of calibration and R&R methodologies
- Proven ability to apply structured problem-solving methodologies.
- Familiarity with Statistical methods, and quality system development.
- The ability to lead and conduct internal audits and identify process improvement opportunities

Work Environment/Health & Safety:

- Uses or wears personal protective equipment or clothing required to perform the job tasks safely and ensures that the employee's do the same
- Reports unsafe or hazardous situations or work practices in a timely manner
- Implements the Occupational health and Safety Act or applicable regulations
- Accountable and responsible to proactively and effectively resolve issues and deal with changes and interruptions
- Takes the initiative to improve the workplace
- Successful candidate will have demonstrated commitment to company goals by living a "whatever it takes" attitude.
